

SNEHIL VERMA

snehilv2509@gmail.com | +91 6387161225 | linkedin.com/in/snehilverma25/ | github.com/Snehilxcoding

PROFESSIONAL SUMMARY

Computer Science Engineer with hands-on experience in Python, SQL, machine learning, and backend development. Passionate about building AI-powered applications and scalable software solutions, with a strong focus on solving real-world problems through technology.

TECHNICAL SKILLS

Programming Languages: Python, SQL, Java

Libraries & Frameworks: Pandas, NumPy, Scikit-learn, Agile Methodology

Tools & Platforms: Google Colab, MongoDB, VS Code, Github

AI & ML: LLM API Integration, Speech-to-Text (STT), Text-to-Speech (TTS), Model Training & Evaluation

Testing & QA: Manual & Exploratory Testing, Test Case Design, Regression Testing

PROJECTS

AlfredWayne OS — AI-Powered Personal Operating Assistant (*Ongoing*)

Technologies: Python, FastAPI, LLM APIs, NLP, Speech-to-Text (STT), Text-to-Speech (TTS)

- Developed an AI-powered personal assistant for intelligent task automation and natural text/voice interactions.
- Designed a modular, scalable architecture with contextual memory and seamless third-party service integration.
- Applicable to enterprise productivity platforms, customer support automation, smart assistants, and IoT-based voice applications.

Heart Disease Predictor

Technologies: Python, Pandas, NumPy, Scikit-learn, Matplotlib, Streamlit, Machine Learning

- Developed a machine learning model using the Heart Disease UCI dataset to predict heart disease risk through data preprocessing and exploratory data analysis.
- Built and evaluated **Logistic Regression** model, achieving **89% accuracy**.
- Developed an interactive **Streamlit** web application for real-time heart disease prediction and model visualization.

EDUCATION

Bachelor of Technology (B.Tech) — Computer Science, Data Science Specialization

2023 - Present

Shri Ramswaroop Memorial College of Engineering and Management, Lucknow, Uttar Pradesh

CERTIFICATIONS

- IBM Certified — Python for Data Science
- IBM Certified — Data Analysis with Python
- L&T Certified — Machine Learning Fundamentals
- L&T Certified — Web Development Fundamentals

LEADERSHIP & EXTRACURRICULAR

- Lead Secretariat Robotics Club (SRMCEM):** Managed social media strategy and visual branding, growing audience engagement and establishing a consistent, professional club identity. Edited and produced promotional content for the SRMCEM Robotics Club.
- Creative Portfolio — Video, Photo & Design:** Passionate video editor, photographer, and graphic designer, skills that inform clear data visualization storytelling, and high-quality technical documentation and presentations.
- Achieved 1st position In Robo Race:** Won 1st Prize in Robo Race at SRMS Bareilly, showcasing excellence in robotics, teamwork, and technical execution during a competitive event.

WORKSHOPS

- AI & Machine Learning Trainee | SRDT Pvt. Ltd. (2026):** Completed industry training in AI/ML with hands-on experience in Python, machine learning, and real-world AI applications.
- Data Science Trainee (2025):** Completed industry training in Data Science, focusing on Python, data analysis, machine learning, and predictive modeling.
- SpiderVilla Network – Technical Workshop:** Participated in a technical workshop by SpiderVilla Network, enhancing practical knowledge of modern technologies through industry-oriented learning.
